Taipei PLAS 2018 has closed its five-day exhibition on Aug. 16 at Taipei Nangang Exhibition Center, Hall 1. It presented not only a comprehensive sourcing platform that covered every facet of the supply chain but also **automated equipment, industrial robot, highly efficient machines and smart manufacturing solutions** in response to the concept of Industry 4.0. The show attracted a total of 18,096 visitors, in which **2,504** international buyers were from **94** countries, showing high demand for plastics and rubber processing machines and technologies.

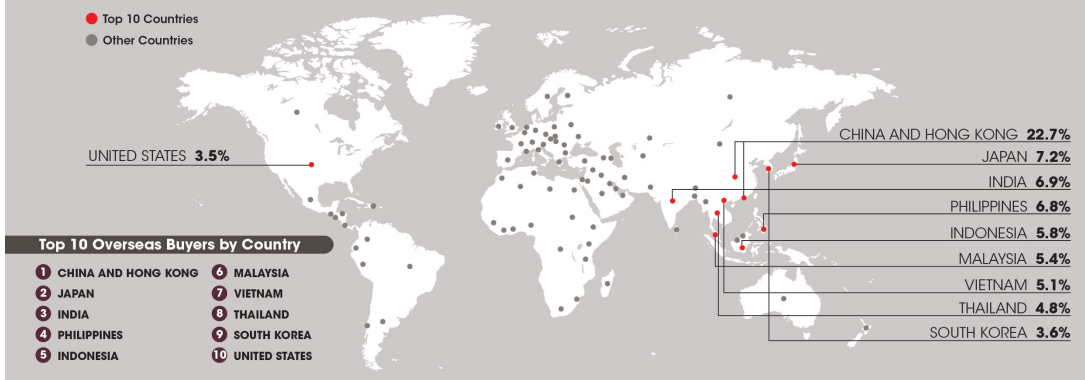

SHOW INFO

- Number of Exhibiting Countries: **20**
- Number of Exhibitors: **497**
- Number of Booths: **2,586**
- Number of Visiting Countries: **94**
- Total Visitors: **18,096**

PRODUCT CATEGORY

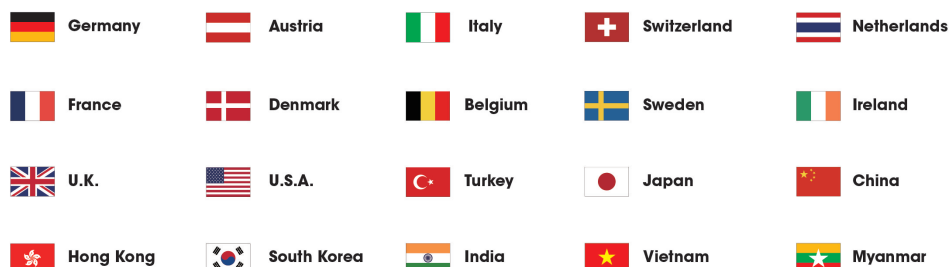

- Plastics and Rubber Processing Machines
- Plastics and Rubber Raw Materials and Products
- Molds & Accessories, Molds Manufacturing Equipment
- Automation & Robot & 3D Printing Equipment
- Auxiliary Equipment

NATIONAL BREAKDOWN OF VISITING BUYERS

INTERNATIONAL PRESENTATION OF EXHIBITORS AROUND THE WORLD

Taipei PLAS, the biennial plastics and rubber trade show, has become a prominent platform for global machinery makers and material suppliers to demonstrate their top-notch products and technologies. There were 151 foreign companies and brands exhibited in 2018.

WHAT OUR PARTICIPANTS SAY

- Taiwanese products have very good quality. If customer wants high quality and not so expensive machines, Taiwanese machines are a good option.

- Christopher Mendes, Buyer, Brazil

- Taiwanese companies are really reliable and products are stable. That's why I like to work with Taiwan.

- Sayed Morsy, Buyer, Egypt

- We have 3 machines made in Taiwan in our factory, and we come to Taipei PLAS to check on film extrusion machine, bag-making machine and find many suppliers at the show.

- Adrian Georgescu, Buyer, Romania

- Although Taiwan is a smaller country, it plays an important part to develop new technologies to stay ahead of others.

- Gero Willmeroth, Exhibitor, Austria

- Taiwanese companies always go fast, always lead in industry. There are creative ideas and applications from Taiwan, and sometimes they are the first ones in the world.

- Michael Huang, Exhibitor, Taiwan

- We have participated in Taipei PLAS ever since its first edition, and we won't be absent in the years to come.

- Christine Kuo, Exhibitor, Taiwan
