R.T. Tsai serves as Vice President to the CEO Office. Mr. Tsai is responsible for business development and corporate functions at Delta, including all aspects of strategic partner development and government relationship.

Mr. Tsai has been instrumental in transforming Delta into a global company. After joining Delta in 1986, Mr. Tsai was assigned to initiate the company’s first overseas manufacturing project in Nogales, Mexico. In 1988, he set up company operations in Glasgow, U.K. In 1992, Mr. Tsai was promoted to plant manager of Delta’s operations in Taiwan, China, and Thailand. In 1998, Mr. Tsai returned to San Diego, California to establish a new manufacturing base in Tijuana, Mexico. In 2001, Mr. Tsai was named president of a Delta-invested company in the CD-R industry, and in 2002 he held the senior vice president position at Delta-Japan. Mr. Tsai was chosen by Japan’s Institute for International Business Communication as “Global Manager of the Year” in 2003.

In his current position Mr. Tsai leads a team that focuses on fulfilling the needs of Delta’s key accounts by delivering integrated solutions, state-of-the-art technology, and innovative service. Mr. Tsai earned a Bachelor of Business Administration from the University of Wisconsin-Milwaukee in the United States and undertook a Master Program at the same university in management information systems.
