## What buyers and exhibitors said

### Lockheed Martin

Apart from promoting our own products, participating in this show also helped us to successfully recruit more talent. We were able to see the various companies and excellent products and new talent.

### AIDC(漢翔)

We consider TADTE to be a platform that we can use to introduce ourselves. We took advantage of the event to show to visitors and other manufactures that our aerospace manufacturing capabilities have reached a world-class level.

### Jotovandson

The Taiwanese products and the service that companies provide with the products are excellent, that's why I am here to find the best product for our customers.

### Micropilot

The whole show is very impressive, it's very well organized, a lot of very interesting products, lots of technology. It's a very nice show to come to.

### PROTEX-CAR

It's very impressive and all the companies that I visited have a lot to offer and Taiwanese products have been regarded with the highest qualities.
