2019 TAIWAN INTERNATIONAL WATER WEEK

Discovering the
total solutions
in water !

9.26 - 28

Taipei World Trade Center
Exhibition Hall 1

www.taiwanintlwaterweek.com

Organizer:
 Taiwan External Trade Development Council

Co-organizer:
 Water Resources Agency, MOEA

About TIWW

Due to the extreme climate change, industrial water-use, and water pollution in recent years, many countries are suffering from water shortage, drought, and groundwater depletion. These issues highlight the importance of water management. In this light, the Taiwan External Trade Development Council takes the initiative to organize Taiwan International Water Week (TIWW), one of Asia's most recognized water shows, which showcases a comprehensive array of water solutions.
