

Help Protect Yourself

and Others from COVID-19

Take your body
temperature

Provide your
contact information

Wear a facemask

Sanitize your hands
frequently

In order to contain the spread of COVID-19, the organizers will enforce the Special Act for Prevention.

Please comply with the rules. Thank you very much for your cooperation.

1. Those with a body temperature above 37.5 °C (=100 °F) will be denied entry.
2. All exhibitors and visitors are required to provide personal contact information to the show organizer.
3. Wear a facemask at all times while at the showground.
4. Hand sanitizer must be used at the entrance to the showground.
5. Practice social distancing. Stay at least 1.5 meters (5 ft) from others while indoors and 1 meter (3 ft) when you're outdoors.
6. Do not eat or drink in the showground and public areas.
7. Cover your cough or sneeze with a tissue, then dispose of the tissue and wash your hands.
8. Do not enter the showground if you have returned from international travel within 14 days or have been in physical contact with someone with COVID-19. Please stay home and avoid contact with others. Practice quarantine/isolation measures in accordance with the relevant regulations.
9. If you're sick with diarrhea, fever, cough or have trouble breathing, contact the show organizer at the information center.

-
- The show organizer reserves the right to refuse visitors or exhibitors access to the showground, if the person does not comply with the rules listed above.
 - In order to provide a safe space for all visitors and exhibitors, the organizer cleans and frequently disinfects public space and equipment such as meeting room tables, lounge chairs, elevators, door handles, restrooms and others.
