- These general regulations ("the Regulations") are made by Taiwan External Trade Development Council (hereinafter referred to as the "Organizer").
- 2. The Regulations shall cover the registration forms, exhibition manuals, and materials made for an exhibition (hereinafter referred to as the "Exhibition Materials"). The Regulations are applicable to exhibitors, joint exhibitors, and their branch companies (hereinafter referred to as the "Exhibitors") of the exhibition.
- 3. After an Exhibitor completes the registration procedure, the Exhibitor is deemed to have fully read and understood the Exhibition Materials and the Regulations and agree to comply with the Regulations unconditionally. Furthermore, the Exhibitors authorize the Organizer to include the information provided by the Exhibitors in the printed and/or digital Official Directory.
- 4. Compliance with or violations of the Regulations regarding the Exhibitors' behaviors during the exhibition period shall be determined, interpreted, and implemented by the Organizer. The Exhibitors shall have no objection.
- 5. The organizer prohibits the participation of competitive exhibitions or related exhibition organizers, including subsidiaries or agents of associated enterprises. Exhibitors who register under falsified documents or impersonate others will be ordered to stop displaying and fees confiscated once found. The exhibitor agrees unconditionally to the organizer setting, explaining and executing of the regulation, regardless of whether or not the exhibitor has violated the regulation.
- 6. The Organizer has the right to plan the exhibition area and the number of booths based on the types of the products exhibited, the actual registration results, and booth demand. The Organizer also has the right to determine whether to accept Exhibitors' registrations, adjust the exhibition area and the number of booths based on the nature of the products exhibited and the Exhibitors' past records in the Taiwan Trade Shows, or the domestic or foreign promotional activities organized by the Organizer.
- Except the startup exhibition area, all booths are raw spaces without carpets and partitions. All Exhibitors must set
 up basic decorations, including carpets, partitions, and company name boards. Exhibitors may not display without
 basic decorations.
- 8. The Organizer shall send the Exhibition Materials and the Regulations to the Exhibitors approximately 90 days before the exhibition and publish them on the exhibition website (www.taipeicycle.com.tw) for the Exhibitors to access and print the materials. The Exhibitors will have no grounds to claim ignorance of and/or violate the Exhibition Materials due to not having received the Exhibition Materials or having no access to the Regulations.
- 9. The Exhibitors shall not take exhibition items into the exhibition hall or remove exhibition items from the exhibition hall during the exhibition period, from 9 am to 6 pm daily, (or until 3 pm on the final day of the exhibition), except for small and light items that can be carried by a person. Additional exhibition items may be brought in from 8 am to 9 pm on the first day of the exhibition or from 8:30 am to 9 pm during the exhibition period.
- 10. Before entering and decorating the booth, the Exhibitors shall fill out and submit the Decoration Affidavit and other related application documents, as well as apply for water and electricity within the prescribed period. If the Exhibitors' decorations or interests are affected as a result of a failure to complete these tasks, the Exhibitors shall bear sole responsibility.
