## Application

(1) This **online booth application** is for international exhibitors only.

**Application Deadline: Oct 31, 2025.** (Application will be automatically added to the waiting list without notice if all booth spaces are fully booked ahead of time.)

(2) Applications from exhibitors of the previous year will be given priority, and venues and booth locations may not be specified at the time of registration. Requests to increase or decrease booth space, or to change exhibition areas (compared with the previous year's participation record), will be reviewed and approved by the organizer based on overall registration status, booth demand, and product categories. If space remains available in the requested area, applications from new companies will be processed in a combined order of priority, taking into account previous attendance record, booth size requested, and submission time. The organizer reserves the right to adjust exhibition layouts and booth allocations as necessary. Exhibitors submitting late applications who cannot be accommodated in their product-specific area or the International Exhibitors Area will be placed on the waiting list.

(3) New exhibitors should send the completed application form along with a copy of their product catalogue (or product photos), and company introduction, to the organizer before the application deadline. Please send these documents by email to: [CPX-exhibitors@taitra.org.tw](mailto:CPX-exhibitors@taitra.org.tw)

(4) After completing online registration, applicants will receive an auto-reply email from TAITRA confirming receipt of the application. Applicants must secure their participation by paying a non-refundable deposit of US\$ 1,000 per booth before the booth allocation meeting. Otherwise the organizer (TAITRA) will cancel the application.

(6) **PLEASE NOTE:** It is forbidden for the registered company to resell, sublease, transfer or subdivide booth(s) to a third party. Joint booths and co-exhibiting are not allowed. Any exhibitor or agent who violates this regulation can result in the exclusion of applying for booths in the next two consecutive years.

(7) The organizer is not in a position to sponsor exhibitors when they apply for any government subsidy, entry visas and is not liable if applicants cannot obtain a visa.

(8) The organizer reserves the right to refuse any application from exhibitors with records of illegal activities or disputes, whether in Taiwan or abroad.
