General Regulations for Exhibitors at TAITRA's Taiwan International Trade Shows

Last Revised: August 7, 2026

Item	Article
General Provisions	1. These regulations are issued by the Taiwan External Trade Development Council (TAITRA, hereinafter referred to as the "Organizer"). 2. The registration information, exhibition regulations, exhibitor handbook, and all related materials (hereinafter collectively referred to as "Exhibition Information") form an integral part of these Regulations. They apply to exhibitors, co-exhibitors, their subsidiaries, branches, contractors, service providers, and the personnel of the aforementioned entities (hereinafter collectively referred to as "Exhibitors"). 3. By registering, Exhibitors are deemed to have fully read, understood, and accepted the Exhibition Information and these Regulations. Exhibitors unconditionally agree to comply with them and authorize the Organizer to use the information provided for exhibition purposes, including but not limited to publishing the "Official Directory" and other promotional materials. 4. The Organizer has full authority to interpret, determine, and enforce whether an Exhibitor's conduct from registration through the close of the Exhibition (including move-in and move-out periods) complies with these Regulations. Exhibitors may not raise objections to the Organizer's decisions. 5. The Organizer has published the Exhibition Information and these Regulations on the official exhibition website for all Exhibitors to review and print. Exhibitors shall not claim exemption from these Regulations by reason of not having received or been aware of the Exhibition Information, or for any other reason. 6. In addition to complying with these Regulations, Exhibitors shall, during the Exhibition period, also comply with the venue management rules applicable to the location where the Exhibition is held. Such venue rules may vary depending on the specific Exhibition location. Exhibitors shall independently review the relevant regulations published on the official website of the respective venue management authority and strictly comply therewith, and may not claim exemption from or non-applicability thereof on the grounds of lack of knowledge of their contents.In the event of any inconsistency between these Regulations and the venue rules, the stricter standard shall prevail. With respect to matters involving fire safety, facility management, and technical requirements, the stricter regulations of the venue shall take precedence.(Nangang Exhibition Center: https://www.tainex.com.tw/; Taipei World Trade Center Exhibition Hall 1: https://www.twtc.com.tw/). 7. In the event that an Exhibitor violates these Regulations or any applicable venue rules, the Exhibitor shall unconditionally indemnify and hold harmless the Organizer and the venue for any and all damages incurred, including but not limited to administrative fines, penalties, civil compensation to third parties, settlement amounts, litigation costs, attorneys' fees, and any other related expenses.The Exhibitor acknowledges and confirms that the Organizer has duly fulfilled its obligations of notification and disclosure, and the Exhibitor may not evade or avoid any related liability on the grounds of lack of notice or unawareness. 8. Any matters not expressly provided for herein shall be subject to the interpretation of the Organizer, who reserves the right to amend these Regulations at any time, and any such amendments shall take effect upon announcement.
Exhibition Registration	1. The Organizer may refuse the participation of executive organizers of competing exhibitions, their subsidiaries, agents, or related enterprises. If any party is found to have deceptively registered to exhibit, their participation will be terminated immediately, all fees paid will be non-refundable, and they must vacate the venue at once. The Organizer is not responsible for any damages or losses incurred by such Exhibitors, including but not limited to business losses and removal costs. The Organizer retains full authority to determine, interpret, and enforce this provision without objection. 2. The Organizer reserves the right to assign floor space, booth location, and the number of booths based on product categories, registration status, and booth demand. The Organizer also retains the right to decide whether to accept applications, adjust booth areas, and approve the requested number of booths, taking into account the nature of the products exhibited and the applicant's record of participation in the Organizer's international trade shows or other domestic and overseas promotional events. 3. If an Exhibitor withdraws for reasons not attributable to the Organizer, the exhibition deposit will not be refunded once paid. Exhibitors who withdraw after booth assignment will not receive any refund of exhibition fees, regardless of the reason. 4. The Organizer may change the exhibition date or venue, or cancel the exhibition. If such changes or cancellations are required due to natural disasters, notifiable infectious diseases (e.g., COVID-19), or other force majeure events, all fees paid (including deposits) will be non-refundable. The Organizer is not liable for any resulting damages. 5. To ensure the proper handling of the exhibition, the Organizer may implement health and safety measures (e.g., infectious disease prevention, public health requirements) in compliance with applicable laws and prevailing conditions. Exhibitors agree to comply with such measures from registration through the close of the exhibition and accept the health risks involved (including but not limited to infection, quarantine, or restricted access). Exhibitors shall not bring civil, criminal, or administrative claims against the Organizer regarding these measures.

2. Exhibitors shall collect one identification badge per person at the location designated by the Organizer during move-in. Badges must be worn at all times when entering or leaving the venue throughout the Exhibition period (including move-in and move-out).
3. Lending or transferring an Exhibitor badge to any third party—whether or not they are another Exhibitor—is strictly prohibited. Once verified, the Organizer may confiscate the badge on site and bar both the Exhibitor who lent or transferred it and the recipient from registering for the next Exhibition. The Organizer shall not be liable for any damages suffered by violators and reserves the right to seek compensation for damages and losses caused. Any person holding an Exhibitor badge shall, regardless of his or her actual identity, be conclusively deemed personnel of the Exhibitor, and no contrary claim shall be permitted. If such badge holder commits any violation of these Regulations, such violation shall be deemed a violation by the Exhibitor itself, and the Exhibitor shall bear all possible legal liabilities arising from any and all acts of the badge holder.
4. During move-in and move-out, Exhibitors and related personnel shall prepare and correctly wear their own hard hats while inside the exhibition venue. Failure to do so constitutes a violation of occupational safety and health laws, for which the Exhibitor and its personnel shall bear sole legal responsibility. The Organizer assumes no liability in such cases.
5. Exhibitors may not bring exhibited products into or out of TaiNEX 1 & 2 between 10:00 a.m. and 6:00 p.m. each day of the Exhibition (until 5:00 p.m. on the final day), except for light personal belongings. 7. Exhibitors shall implement appropriate security and safety measures for their exhibited products, and post required notices and warnings in both Chinese and English in a clear and visible manner in accordance with applicable law. Booths must be kept clean and unobstructed at all times. Exhibitors are responsible for ensuring the safety of their personnel and visitors, maintaining a safe distance between people and equipment, and deploying additional staff when crowding occurs to prevent collisions or other accidents. If an accident occurs in an Exhibitor’s booth, the Exhibitor shall immediately handle the situation. Should such accidents or disputes result in claims, compensation demands, or litigation involving the Organizer, the Exhibitor shall unconditionally and fully indemnify the Organizer for all damages and expenses incurred.
8. Exhibitors shall verify that booth water and electricity installations are functioning properly. Once the installations have been accepted in the presence of the Organizer’s designated contractor, the Exhibitor shall bear full responsibility for any subsequent malfunctions or issues.
9. After the Exhibition closes, Exhibitors shall restore their booths to vacant space within the time specified by the Organizer and remove all items not belonging to the venue (including but not limited to exhibited products, booth decorations, and personal belongings), and completely clear the premises. The Organizer is not responsible for safekeeping exhibits. Any items remaining after move-out shall be deemed abandoned, and the Exhibitor shall forfeit all rights of ownership. The Organizer may, at its sole discretion, remove, relocate, or otherwise dispose of such items without assuming any obligation of safekeeping or compensation, and the Exhibitor shall bear all costs arising from such removal, relocation, or disposal. Such incidents may be recorded and considered in future exhibition applications.
10. Exhibitors intending to use livestreaming, digital interactive devices, or other technologies involving the capture of visitors’ images must notify the Organizer in advance in writing and ensure compliance with applicable laws, including the Personal Data Protection Act and regulations protecting individuals’ right to their image, to safeguard visitor rights.
11. Exhibitors are strictly prohibited from using equipment with facial recognition functions for data collection, identification, or comparison. The Organizer may require removal of such equipment, termination of the technology, and immediate cessation of related activities.
12. Exhibitors acknowledge and agree that the Organizer may take photographs, videos, audio recordings, and live broadcasts within the Exhibition venue and related activities, and may use such materials for promotional purposes without prior notice or remuneration. Exhibitors shall inform their personnel, vendors, suppliers, and visitors of this practice and are responsible for securing their consent. Should any claim of personal data infringement be made against the Organizer, the Exhibitor shall provide proof of consent from the relevant parties and shall indemnify the Organizer for all resulting damages, including but not limited to attorneys’ fees.
13. If the organizer discovers an Exhibitor engages in any of the following conduct and fails to correct the issue as required, the Organizer may take immediate action or, if the Exhibitor fails to make corrections after being requested to do so, cancel the Exhibitor’s qualification, terminate participation, or suspend utilities (water and electricity). Decoration and Construction

1. Except for the start-up area and standard booths where decoration charges are included, all booths are provided as bare space without carpets or partitions. Exhibitors must arrange their own basic decoration, which shall include at minimum carpeting, wall partitions, and exhibitor signage. Exhibitors may not use the bare ground as an exhibition booth.
2. Before beginning booth decoration, Exhibitors must submit the required documents—including a decoration affidavit and applications for water and electricity—within the deadlines set by the Organizer. Failure to comply with these deadlines, resulting in delays or loss of rights, shall be the sole responsibility of the Exhibitor. No refunds or adjustments to participation terms will be granted.
3. Exhibitors intending to install stage sound equipment, aerial balloons, two-story booths, or decorations exceeding 4 meters in height must obtain prior approval from the Organizer (see the Exhibition Handbook for details). Without approval, the Exhibitor must dismantle such structures immediately at its own expense or promptly submit an application upon discovery by the Organizer. The Organizer is not liable for any resulting damages or losses.
   (1)If such equipment or structures are erected without approval, an additional usage fee of NT$30,000 will be charged for the violation.
   (2)Applications submitted after the deadline but before the Exhibition opens shall incur a violation usage fee of NT$10,000.

4. Exhibitors shall ensure that third-party vendors (including decorators and construction personnel) comply with the Occupational Safety and Health Act. Requirements include, but are not limited to: proper wearing of hard hats at all times, prohibition of topless work, prohibition of gambling, prohibition of smoking or chewing betel nuts, and prohibition of unprotected use of ultra-high ladders.
   (1)If violations result in the Organizer or venue being penalized by authorities, the Exhibitor shall unconditionally indemnify the Organizer and venue for all damages, including administrative and criminal fines. Exhibitors acknowledge that the Organizer has fulfilled its duty to inform and publicize these rules, and may not claim exemption based on lack of knowledge.
   (2)In the event of a major accident caused by such violations that hinders Exhibition progress or affects public safety, the Organizer may cancel the Exhibitor's qualification depending on severity, and reserves the right to seek damages according to law.
5. When constructing walls using venue columns, Exhibitors must leave openings to fully expose fire and electrical equipment (e.g., fire alarms, sprinklers, extinguishers, distribution boxes, grounding panels). No partitions, locks, obstructions, or stacked items may block access, use, inspection, or maintenance of such facilities.
6. LED strip lights shall not be directly affixed to or installed on or in the vicinity of combustible decorative materials. Appropriate heat dissipation and thermal insulation measures shall be provided during installation to ensure electrical and fire safety within the exhibition venue.
7. Exhibitors shall install protective isolation layers or take other appropriate protective measures when laying flame-retardant carpets in the exhibition venue. If the exhibition venue flooring is whitened, discolored, contaminated with adhesive residue, or structurally damaged due to inadequate protection or improper installation, the exhibitor shall be jointly and severally liable with the contractor and shall pay the full restoration costs in accordance with the venue's original condition restoration standards.
8. Compartments housing refrigeration equipment must remain unlocked and unobstructed to allow Organizer night patrol staff to check power supply. If access is denied and damages result, liability rests solely with the Exhibitor.
9. If an Exhibitor engages in any of the following conduct and, the Organizer may take immediate action or, if the Exhibitor fails to make corrections within the prescribed time limit after being requested to do so, cancel its participation, terminate utilities, and forfeit all fees paid. The Exhibitor will be barred from Organizer-run exhibitions for at least two editions, and accumulated years of participation will be reset to zero. The Organizer bears no liability for any resulting damages or losses suffered by the Exhibitor. If the Organizer incurs damages or litigation as a result, the Exhibitor shall bear full compensation liability, including attorney and court fees, without objection:
   (1)Using bare ground as an exhibition booth.
   (2)Installing stage sound equipment, aerial balloons, two-story booths, or decorations over 4 meters without prior application and approval.
   (3)Failing to comply with fire safety rules in column wrapping operations, or obstructing access to electrical boxes in enclosed columns (e.g., by locks or other barriers).

If an Exhibitor engages in conduct that disrupts public order, offends public morals, harms the image of the exhibition venue, endangers public health or safety, or otherwise hinders the order or quality of the Exhibition, the Organizer may take immediate action or, if the Exhibitor fails to make corrections after being requested to do so, immediately cancel its qualification for participation, terminate its participation, or suspend the supply of water and electricity. All fees paid shall be forfeited. Violators shall be barred from participating in TAITRA-organized exhibitions for at least two editions, and accumulated years of participation shall be reset to zero. Insurance

1. During the Exhibition period (including move-in and move-out), Exhibitors shall assign personnel to safeguard exhibited products, decoration materials, engineering facilities, and equipment. Valuable exhibits must be insured at the Exhibitor's own expense, and security personnel should be engaged as needed. The Organizer bears no responsibility for any loss or damage.
2. From the time exhibits and decoration materials are delivered to the venue until they are removed after the Exhibition, Exhibitors shall obtain, at their own expense, adequate insurance coverage. Such coverage shall include, but is not limited to: fire insurance, theft insurance, water damage insurance, and public liability insurance (including supplementary coverage for natural disasters such as typhoons, earthquakes, floods, and heavy rain). Exhibitors are solely responsible for the operation, maintenance, and safety of their rented booth space, facilities, and personnel, and must ensure this relevant insurance is effective throughout move-in, the Exhibition, and move-out.
3. When Exhibitors organize activities in their booths, they must provide participants with clear on-site safety information and precautions, and shall be fully responsible for maintaining participant safety. In the event of injury, accident, or dispute among participants, the Exhibitor shall immediately handle the matter and bear all related legal liabilities. If such incidents result in claims, demands for indemnification, or litigation against the Organizer, the Exhibitor must unconditionally compensate the Organizer for all damages and expenses incurred, including legal fees.

Protest or Petition

1. If an Exhibitor engages in any of the following conduct and, after discovery by the Organizer, fails to make corrections as required, the Organizer may disqualify the Exhibitor, terminate participation, or suspend utilities (water and electricity). All fees paid shall be forfeited. The Exhibitor shall be barred from Organizer-held Exhibitions for at least two years, and accumulated years of participation shall be reset to zero. The Organizer shall not be liable for any losses or damages arising therefrom. If the Organizer incurs damages or becomes involved in litigation as a result, the Exhibitor shall bear full compensation liability (including but not limited to attorney's fees and court costs) and may not raise objections:
   (1) Allowing disputes not caused by the Organizer to escalate into disturbances, public petitions, or protests at the Exhibitor's booth or within the Exhibition venue, thereby affecting order or damaging the image of the Exhibition.

   (1) Exhibitors shall maintain information and communication security, comply with the Cyber Security Management Act, its implementing regulations, and all cybersecurity rules and standards promulgated by the Executive Yuan, and observe the cybersecurity measures required by the Organizer. This prohibition applies equally to any subsequent adjustments or updates to the list.

If inappropriate content is displayed due to hacking or other unauthorized interference, the Exhibitor shall immediately terminate the broadcast and comply with the notification and response requirements set forth in Paragraph 1 of this Article.
   (4) If the Organizer suffers damages due to an Exhibitor's violation of this Article—including but not limited to claims, demands for compensation, or litigation—the Exhibitor shall compensate the Organizer for all direct and indirect damages, including but not limited to attorney and court fees.
