## General Regulations for Exhibitors at TAITRA's Taiwan International Trade Shows

Last Revised: March 5, 2026

### General Provisions

1. These regulations are issued by the Taiwan External Trade Development Council (TAITRA, hereinafter referred to as the "Organizer").
2. The registration information, exhibition regulations, exhibitor handbook, and all related materials (hereinafter collectively referred to as "Exhibition Information") form an integral part of these Regulations. They apply to exhibitors, co-exhibitors, their subsidiaries, branches, contractors, service providers, and the personnel of the aforementioned entities (hereinafter collectively referred to as "Exhibitors").
3. By registering, Exhibitors are deemed to have fully read, understood, and accepted the Exhibition Information and these Regulations. Exhibitors unconditionally agree to comply with them and authorize the Organizer to use the information provided for exhibition purposes, including but not limited to publishing the "Official Directory" and other promotional materials.
4. The Organizer has full authority to interpret, determine, and enforce whether an Exhibitor's conduct from registration through the close of the Exhibition (including move-in and move-out periods) complies with these Regulations. Exhibitors may not raise objections to the Organizer's decisions.
5. The Organizer has published the Exhibition Information and these Regulations on the official exhibition website for all Exhibitors to review and print. Exhibitors shall not claim exemption from these Regulations by reason of not having received or been aware of the Exhibition Information, or for any other reason.
6. In addition to complying with these Regulations, Exhibitors shall, during the Exhibition period, also comply with the venue management rules applicable to the location where the Exhibition is held. Such venue rules may vary depending on the specific Exhibition location. Exhibitors shall independently review the relevant regulations published on the official website of the respective venue management authority and strictly comply therewith, and may not claim exemption from or non-applicability thereof on the grounds of lack of knowledge of their contents. In the event of any inconsistency between these Regulations and the venue rules, the stricter standard shall prevail. With respect to matters involving fire safety, facility management, and technical requirements, the stricter regulations of the venue shall take precedence. (Nangang Exhibition Center: <https://www.tainex.com.tw/>; Taipei World Trade Center Exhibition Hall 1: <https://www.twtc.com.tw/>).
7. In the event that an Exhibitor violates these Regulations or any applicable venue rules, the Exhibitor shall unconditionally indemnify and hold harmless the Organizer and the venue for any and all damages incurred, including but not limited to administrative fines, penalties, civil compensation to third parties, settlement amounts, litigation costs, attorneys' fees, and any other related expenses. The Exhibitor acknowledges and confirms that the Organizer has duly fulfilled its obligations of notification and disclosure, and the Exhibitor may not evade or avoid any related liability on the grounds of lack of notice or unawareness.
8. Any matters not expressly provided for herein shall be subject to the interpretation of the Organizer, who reserves the right to amend these Regulations at any time, and any such amendments shall take effect upon announcement.

### Exhibition Registration

1. The Organizer may refuse the participation of executive organizers of competing exhibitions, their subsidiaries, agents, or related enterprises. If any party is found to have deceptively registered to exhibit, their participation will be terminated immediately, all fees paid will be non-refundable, and they must vacate the venue at once. The Organizer is not responsible for any damages or losses incurred by such Exhibitors, including but not limited to business losses and removal costs. The Organizer retains full authority to determine, interpret, and enforce this provision without objection.
2. The Organizer reserves the right to assign floor space, booth location, and the number of booths based on product categories, registration status, and booth demand. The Organizer also retains the right to decide whether to accept applications, adjust booth areas, and approve the requested number of booths, taking into account the nature of the products exhibited and the applicant's record of participation in the Organizer's international trade shows or other domestic and overseas promotional events.
3. If an Exhibitor withdraws for reasons not attributable to the Organizer, the exhibition deposit will not be refunded once paid. Exhibitors who withdraw after booth assignment will not receive any refund of exhibition fees, regardless of the reason.
4. The Organizer may change the exhibition date or venue, or cancel the exhibition. If such changes or cancellations are required due to natural disasters, notifiable infectious diseases (e.g., COVID-19), or other force majeure events, all fees paid (including deposits) will be non-refundable. The Organizer is not liable for any resulting damages.
5. To ensure the proper handling of the exhibition, the Organizer may implement health and safety measures (e.g., infectious disease prevention, public health requirements) in compliance with applicable laws and prevailing conditions. Exhibitors agree to comply with such measures from registration through the close of the exhibition and accept the health risks involved (including but not limited to infection, quarantine, or restricted access). Exhibitors shall not bring civil, criminal, or administrative claims against the Organizer regarding these measures.

During the Exhibition Period and Move-In/Move-Out

1. Unless otherwise specified, persons under 12 years of age are prohibited from entering the Exhibition to ensure safety and order.
2. Exhibitors shall collect one identification badge per person at the location designated by the Organizer during move-in. Badges must be worn at all times when entering or leaving the venue throughout the Exhibition period (including move-in and move-out).
3. Lending or transferring an Exhibitor badge to any third party—whether or not they are another Exhibitor—is strictly prohibited. Once verified, the Organizer may confiscate the badge on site and bar both the Exhibitor who lent or transferred it and the recipient from registering for the next Exhibition. The Organizer shall not be liable for any damages suffered by violators and reserves the right to seek compensation for damages and losses caused. Any person holding an Exhibitor badge shall, regardless of his or her actual identity, be conclusively deemed personnel of the Exhibitor, and no contrary claim shall be permitted. If such badge holder commits any violation of these Regulations, such violation shall be deemed a violation by the Exhibitor itself, and the Exhibitor shall bear all possible legal liabilities arising from any and all acts of the badge holder.
4. During move-in and move-out, Exhibitors and related personnel shall prepare and correctly wear their own hard hats while inside the exhibition venue. Failure to do so constitutes a violation of occupational safety and health laws, for which the Exhibitor and its personnel shall bear sole legal responsibility. The Organizer assumes no liability in such cases.
5. Exhibitors may not bring exhibited products into or out of the venue between 10 a.m. and 6 p.m. each day of the Exhibition, except for light personal belongings. Additional exhibited products may only be moved into the venue between 9 a.m. and 10 a.m. each day of the Exhibition.
6. Exhibitors who do not wish their exhibited products to be photographed or filmed by visitors shall display signs in both Chinese and English stating “Do Not Take Photos” or “Do Not Record Videos.” However, Exhibitors must cooperate with the Organizer’s contracted photographers and accredited reporters carrying Organizer-issued PRESS badges for purposes of event promotion.
7. Exhibitors shall implement appropriate security and safety measures for their exhibited products, and post required notices and warnings in both Chinese and English in a clear and visible manner in accordance with applicable law. Booths must be kept clean and unobstructed at all times. Exhibitors are responsible for ensuring the safety of their personnel and visitors, maintaining a safe distance between people and equipment, and deploying additional staff when crowding occurs to prevent collisions or other accidents. If an accident occurs in an Exhibitor’s booth, the Exhibitor shall immediately handle the situation. Should such accidents or disputes result in claims, compensation demands, or litigation involving the Organizer, the Exhibitor shall unconditionally and fully indemnify the Organizer for all damages and expenses incurred.
8. Exhibitors shall verify that booth water and electricity installations are functioning properly. Once the installations have been accepted in the presence of the Organizer’s designated contractor, the Exhibitor shall bear full responsibility for any subsequent malfunctions or issues.
9. After the Exhibition closes, Exhibitors shall restore their booths to vacant space within the time specified by the Organizer and remove all items not belonging to the venue (including but not limited to exhibited products, booth decorations, and personal belongings), and completely clear the premises. The Organizer is not responsible for safekeeping exhibits. Any items remaining after move-out shall be deemed abandoned, and the Exhibitor shall forfeit all rights of ownership. The Organizer may, at its sole discretion, remove, relocate, or otherwise dispose of such items without assuming any obligation of safekeeping or compensation, and the Exhibitor shall bear all costs arising from such removal, relocation, or disposal. Such incidents may be recorded and considered in future exhibition applications.
10. Exhibitors intending to use livestreaming, digital interactive devices, or other technologies involving the capture of visitors’ images must notify the Organizer in advance in writing and ensure compliance with applicable laws, including the Personal Data Protection Act and regulations protecting individuals’ right to their image, to safeguard visitor rights.
11. Exhibitors are strictly prohibited from using equipment with facial recognition functions for data collection, identification, or comparison. The Organizer may require removal of such equipment, termination of the technology, and immediate cessation of related activities.
12. Exhibitors acknowledge and agree that the Organizer may take photographs, videos, audio recordings, and live broadcasts within the Exhibition venue and related activities, and may use such materials for promotional purposes without prior notice or remuneration. Exhibitors shall inform their personnel, vendors, suppliers, and visitors of this practice and are responsible for securing their consent. Should any claim of personal data infringement be made against the Organizer, the Exhibitor shall provide proof of consent from the relevant parties and shall indemnify the Organizer for all resulting damages, including but not limited to attorneys’ fees.
13. If the organizer discovers an Exhibitor engages in any of the following conduct and fails to correct the issue as required, the Organizer may take immediate action or, if the Exhibitor fails to make corrections after being requested to do so, cancel the Exhibitor’s qualification, terminate participation, or suspend utilities (water and electricity). All fees paid shall be forfeited. The Exhibitor shall be barred from participating in Organizer-run exhibitions for at least two editions, and all accumulated

exhibition years shall be reset to zero. The Organizer is not responsible for any losses or damages the Exhibitor may incur as a result of these actions. If the Organizer suffers damages or becomes involved in litigation as a result, the Exhibitor shall bear all compensation liabilities, including but not limited to attorney and court fees, and may not raise objections:
