

2024

TAIWAN International Trade Shows

Official contractor | KY-POST Design International Co., Ltd.

NOTICE

The official contractors of Taiwan Trade show for 2024 are OLILY Group-O'YA Marketing Solution and Interior Design Co., Ltd., KY-POST Design International Co., Ltd., and Interplan Group-Interplan International Corporation.

Exhibitors who have signed up for "Row Space" (booth such space has NO equipment, water or power outlets), should contact one of the official contractors or arrange with other decoration contractors for set-up.

Exhibitors who have signed up for the organizer-provided "Booth with shell scheme" and who require additional equipment, such as furniture or extra electricity, must rent the equipment from the designated exhibition contractor who sets up "Booth with shell scheme." For further details about each show's designated decoration contractor, please see the Exhibition Manual of the relevant exhibition.

Exhibitors shall pay due attention to the price and the deadline of each invoice and make payment on time and shall read through all regulations and clarify any questions with the contractors so as to avoid any dispute.

For information regarding terms and regulations related to decoration and construction of booths, please refer to the Exhibitor Manual: **REGULATIONS GOVERNING BOOTH DECORATION WITHIN THE TAIPEI WORLD TRADE CENTER EXHIBITION HALL.**

CREATIVITY AND EXPERIENCE

Founded in Taiwan in 1991, KY-Post is dedicated to bringing ideas to life across various fields. We offer a wide range of services including global exhibitions, events, pop-up stores, and design for interior and commercial spaces.

We adhere to ISO 20121 standards and have earned the TAITRA ESG Green Partner Certification and Green Procurement, to promote green procurement, minimize negative impacts, and provide sustainable events. We stand with you in protecting our environment. We also had the privilege of assisting the Qisda Corp booth at COMPUTEX 2023 in becoming the first to achieve ISO 20121 certification. Together, we work with our clients to actively implement ESG goals, creating a win-win situation.

Shell Scheme Booth Design

We provide multiple designed booths.

1 booth: Shell Scheme A (3M×3M) and 2 booths: Shell Scheme B (6M×3M)

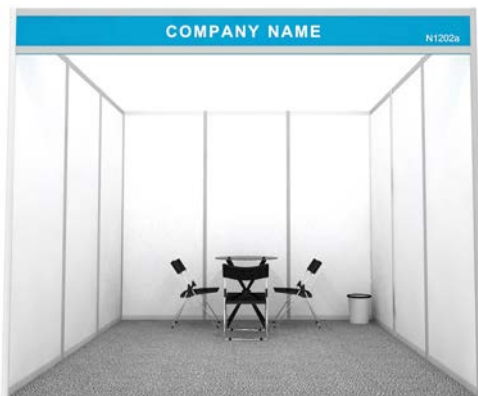

Please contact us if you require customized layout or bigger designed booths.

Strategy and Planning

We gain insight into the needs and objectives of Brands, then take abstract concepts and bring elements into spatial designs and events with clear and concrete strategic planning. Communication is key to reaching our design goals and creating valuable experiences.

Design and Creativity

From design planning to creative execution, we pay detailed attention to every aspect of cooperation with our clients. Through integrated design thinking, we transform ideas, find solutions, and realize our clients' brand objectives through design.

Engineering Management

We are one of the few domestic companies in the industry with an in-house engineering department and a 3,000 m² manufacturing facility with international certifications such as OSPI, ISO9001, and ISO20121. We use our expertise to manage the engineering process to provide high-quality projects on schedule and on budget.

Experiential Marketing

We focus on the connection between the space and the audience, transforming the client's goals into an experiential marketing component. Through extensive resource integration and cooperation across different sectors, we create innovative methods of communication.
